Points Awarded

1. FINISHING (Maximum 25 points)

Points Awarded

1. NEATNESS (Maximum 20 points)

Points Awarded

Tabulated _____

Verified _____

Final Score

Entry Description:

Describe your entry. You may include information on how it was made, and any special materials or techniques used. If it is a pattern or kit, did you modify it in any way? Was the project adapted from one medium to another? How did you prepare it for display (matting, framing, etc.)? Include anything else you feel might help the judges in evaluating your work.
